

# 2015 OPPORTUNITIES

Everyone is invited to participate in The Kennedy Forum Illinois, both organizations and individuals, and there are ongoing opportunities for engagement both in Illinois and at the national level. Contributions support the work of the Forum, and enable us to sustain the movement. Below we have outlined some of these engagement and recognition opportunities for supporters. We welcome the opportunity to partner with you or your organization in a way that addresses your specific interests. All opportunities can be made in honor or memory, and naming opportunities are available for a number of events and activities. Please contact us to discuss these opportunities directly.
